

FINAL EXAMINATION SCHEDULE - SUMMER 2008

A two-hour final examination has been scheduled for each class. For classes scheduled at the Palm Desert Campus, see instructor for more information. In courses extending over more than one term, the examination in the concluding term may also cover work done in the preceding term or terms. Examinations may not be taken before or after the schedule period nor may the time of an examinations be changed without authorization by the corresponding College Dean. Permission to take a final examination with a different section of the same course may be granted by the appropriate College Dean with the consent of the instructors concerned. Failure to take or pass any final or other course examination will result in such deficiencies as instructors may assign.

Due to the compressed nature of final exams in summer sessions, exam conflicts may exist. Please contact your instructors if you have multiple exams scheduled for the same day and time.
